

# DECISION DOCUMENT

## ROUND 6 – Southern Nevada Public Land Management Act (Public Law 105-263)

The signature of the Secretary of the Interior approves the Southern Nevada Public Land Management Act (SNPLMA) Final Recommendation for Round 6 submitted by the SNPLMA Executive Committee for all expenditure categories available under the SNPLMA, as amended. This decision covers the expenditures and other authorizations outlined below, with the provisos as stated.

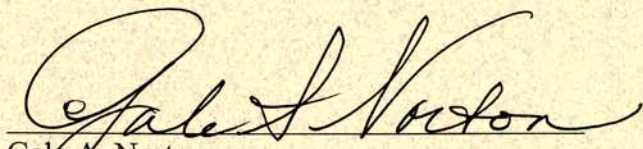

1. The expenditures of \$468,708,922 for parks, trails, and natural areas in cooperation with local and regional governments; \$169,538,170 for capital improvements; \$80,331,758 for conservation initiatives; \$83,359,332 for acquisition of environmentally sensitive land; \$30,706,817 for the Clark County Multi-Species Habitat Conservation Plan projects; and \$43,400,000 for the Lake Tahoe Restoration Projects; for a total of \$876,044,999 from the SNPLMA Special Account for the expenditure categories in Round 6.
  - a. The budget figures above include the sum of the estimated costs for projects and acquisitions and an additional 10 percent in all project categories, except the Lake Tahoe Restoration Projects (item 1.b.) and environmentally sensitive land acquisitions category (item 1.c.).
  - b. The estimated costs for the Lake Tahoe Restoration Projects took into account a contingency amount; therefore, no separate 10 percent contingency is being requested in the budget. This amount includes \$5,485,000 for the Incline Lakes Dam Restoration Project, which is contingent upon approval and successful acquisition of the Incline Lakes property nominated in Round 6.
  - c. Separate and apart from the budget figures listed above, 10 percent expenditure over estimated costs for land acquisitions is authorized, which may be expended at a 10 percent maximum per acquisition to cover the difference between estimated and actual costs without further approval of the Executive Committee. These funds are not included in the budget figures because the funds needed to cover these contingency costs are generally available as a result of acquisitions completed below the approved amount or due to acquisitions that cannot be completed.
  - d. The amounts approved are in addition to the amounts approved for each category in previous rounds. Any amount not required to complete the projects and acquisitions approved in prior rounds will be available in the same expenditure category for Round 6.
2. The establishment of a reserve within the Special Account in the amount of \$35,000,000 is approved for expenditure at the discretion of the SNPLMA Executive Committee, where special circumstances warrant, toward allowable expenditures authorized by the SNPLMA and in accordance with the Implementation Agreement. All expenditures from the Special Account Reserve (SAR) shall be undertaken in compliance with established procedures and internal controls, as well as all applicable laws, regulations and policies. Further, the Executive

Committee shall consult with the Department of the Interior's Office of the Solicitor to identify additional procedures that might be necessary regarding expenditures from the SAR. This SAR shall be available during Round 6 only.

3. The establishment of a Pre-Proposal Planning (PPP) reserve within the Special Account in the amount of \$25,000,000 is approved for expenditure at the discretion of the SNPLMA Executive Committee, to fund feasibility and pre-proposal design for the purpose of developing more accurate information on project scope as well as detailed cost estimates and preliminary schedules for projects which will be nominated in future rounds. This PPP reserve shall be available during Round 6 only. No funds shall be expended from this PPP reserve until procedures and internal controls for such expenditures have been developed and approved by the Executive Committee in consultation with the Department of the Interior's Office of the Solicitor. All expenditures from the PPP reserve shall be undertaken in compliance with such procedures and internal controls, as well as applicable laws, regulations and policies.
4. The Executive Committee is authorized to reallocate funds between the SAR and the PPP reserve in order to provide for maximum flexibility to meet the needs relative to carrying out approved projects and acquisitions, addressing emergency or urgent needs, and the need for pre-proposal planning to ensure complete and accurate project nominations. Reallocation between and expenditure from the SAR and the PPP reserve shall be subject to the restrictions specified in items 2, with respect to the SAR, and 3 with respect to the PPP reserve.
5. Due to the nature of the projects, full funding shall be provided first to the Lake Tahoe Restoration Projects, then to Multi-Species Habitat Conservation Plan projects, and then to Conservation Initiative Projects. Thereafter, revenues shall be distributed as they become available in the Special Account to the other expenditure categories in the order presented in the attached tables, based upon availability of funds and in accordance with the SNPLMA Implementation Agreement.
6. The funds available for the Lake Tahoe Primary Category Projects shall be available for reprogramming by the Tahoe Regional Executive Committee to fund projects within the Secondary Category in the event a Primary Category project(s) becomes infeasible or actual costs are less than estimated.
7. The \$150 million set-aside for future Lake Tahoe Restoration Projects shall be funded only after all projects and acquisitions approved in Round 6 have been fully funded. Thereafter, this amount shall remain set aside until fully utilized to fund approved Lake Tahoe projects in future rounds.

APPROVED:

  
Gale A. Norton  
Secretary of the Interior

SNPLMA Environmentally Sensitive Land Acquisitions  
Round 6 Approval February 7, 2006

The following table lists properties by priority that have been approved for acquisition pursuant to the Southern Nevada Public Land Management Act of 1998 (Public Law 105-263). The properties were screened to ensure that they meet the minimum acquisition criteria required by the Act and recommended based on their natural resource values and public benefit. PLEASE NOTE: APPEARANCE ON THIS LIST DOES NOT IMPLY ANY OBLIGATION ON THE PART OF THE FEDERAL GOVERNMENT TO ACQUIRE THESE LANDS. Rather, this list represents those lands and interests in land approved for acquisition by the Secretary of the Interior according to federal acquisition standards for obtaining good title, hazardous materials assessments, etc., and agreement on purchase price with the owner. Questions may be addressed to the BLM Land Sales & Acquisitions Division (SNPLMA Office) 702-515-5114.

Priority	Property Name	Acres	County	Acquiring Agency	Supporters Include	Anticipated Cost*	Cumulative Total	Natural Resource Values
1	Incline Lake	777.00	Washoe	FS	Senator John Ensign, Sierra Club, Tahoe Rim Trail Association, Sierra Nevada College, Tahoe Regional Planning Agency, General Public, Washoe County Board of Commissioners	\$75,077,500.00	\$75,077,500	Riparian, biological, wetlands, sensitive species, aesthetic, scenic, watershed, recreational
2	Williams Ranch	97.94	Clark	FS	Friends of Mt. Rose, Nevada State Museum and Historical Society, Sierra Club, private parties	\$17,584,700.00	\$92,662,200	Sensitive species, historical, artificial wetland, recreational

SNPLMA Multi-Species Habitat Conservation Plan Projects  
Round 6 Approval February 7, 2006

Priority	Project Name/Description	Requesting Agency	Location	Funding Requested	Cumulative Total
1	Risk Analysis	Clark County	Las Vegas Valley	\$100,000.00	\$100,000
2	Buckwheat and Bearpoppy Inventory	Clark County	Las Vegas Valley	\$50,000.00	\$150,000
3	Conservation Management Strategy Development	Clark County	Clark County	\$650,000.00	\$800,000
4	Adaptive Management Program	Clark County	Clark County	\$2,950,335.00	\$3,750,335
5	Mojave Max Emergence Contest Partnership and Partnership Development	Clark County	Clark County	\$400,000.00	\$4,150,335
6	GIS Support	The Bureau of Land Management	Clark County	\$645,488.00	\$4,795,823
7	Boulder City Conservation Easement Management Plan	Clark County	Boulder City	\$30,000.00	\$4,825,823
8	Muddy River Property Management, Acquisition and Partner Coordination	The Nature Conservancy	Clark County	\$260,660.00	\$5,086,483
9	Desert Conservation Program Administration	Clark County	Clark County	\$1,743,450.00	\$6,829,933
10	Support of the Virgin River Conservation Management Strategy	The Bureau of Land Management	Virgin River	\$256,623.00	\$7,086,556
11	Volunteer Resource Stewardship Pilot Program	Clark County	Clark County	\$250,000.00	\$7,336,556
12	Effectiveness Monitoring for Conservation Actions	Clark County	Clark County	\$500,000.00	\$7,836,556
13	Lake Mead GIS and Data Management Support	National Park Service	Lake Mead NRA	\$290,393.00	\$8,126,949
14	Establishment of a Rana onca population in a Created Aquative Habitat	U.S. Fish and Wildlife Service	Willow Beach National Fish Hatchery	\$200,195.00	\$8,327,144
15	Rare Plant Inventories	The Bureau of Land Management	Clark County	\$376,688.00	\$8,703,832
16	Developing Habitat Models & Monitoring Techniques for Nine Rare Bird Species of the Clark Co MSHCP	Clark County	Clark County	\$677,111.00	\$9,380,943

SNPLMA Multi-Species Habitat Conservation Plan Projects  
Round 6 Approval February 7, 2006

Priority	Project Name/Description	Requesting Agency	Location	Funding Requested	Cumulative Total
17	Desert tortoise monitoring, monitoring effectiveness research, training & information management	University of Nevada, Reno BRRRC	Clark County	\$2,353,900.00	\$11,734,843
18	Media and Outreach Development	Clark County	Clark County	\$240,000.00	\$11,974,843
19	Sensitive Species Data Management	Clark County	Clark County	\$81,500.00	\$12,056,343
20	Relict Leopard Frog Monitoring and Management	National Park Service	Lake Mead and El Dorado Mountains	\$308,593.00	\$12,364,936
21	Effectiveness Monitoring for Saltcedar and Knapweed Control on the Upper Muddy River Floodplain	The Nature Conservancy	Upper Muddy River	\$540,902.00	\$12,905,838
22	Long-term Conservation Strategy for Palmer's Chipmunk in the Spring Mountains NRA	Clark County	Spring Mountains NRA	\$104,431.00	\$13,010,269
23	Delineation of Distribution, Evaluation of Relatedness, & Assessment of Connectivity for Leopard Frog Pop	Clark County	Lake Mead NRA	\$147,836.00	\$13,158,105
24	Forest Service GIS Support of MSHCP Applications	USDA Forest Service	Spring Mountains	\$24,300.00	\$13,182,405
25	Population Status & Reproductive Ecology of the Western Burrowing Owl in Clark County	Clark County	Clark County	\$408,232.00	\$13,590,637
26	Long-Term Conservation Strategy for Palmer's chipmunk in the Spring Mountains NRA	Clark County	Spring Mountains	\$270,610.00	\$13,861,247
27	Ecosystem Indicators: Change Detection	University of Nevada, Reno BRRRC	Clark County	\$2,752,306.00	\$16,613,553
28	Sediment Transport of Source Materials to White-margined Penstemon Habitat	The Bureau of Land Management	Southern Las Vegas	\$1,192,522.00	\$17,806,075
29	Red Rocks to the Summit: Monitoring for covered and at-risk butterfly species in the Spring Mountains	University of Nevada, Reno BRRRC	Spring Mountains	\$115,700.00	\$17,921,775
30	Inventory for Covered Plant Species in the Spring Mountains NRA and adjacent lands	USDA Forest Service	Clark County	\$282,426.00	\$18,204,201
31	Threats Research & Monitoring on the Invasive Species Sahara mustard	National Park Service	Lake Mead	\$94,554.00	\$18,298,755
32	Interagency Weed Sentry Project	National Park Service	Clark County	\$905,688.00	\$19,204,443

SNPLMA Multi-Species Habitat Conservation Plan Projects  
Round 6 Approval February 7, 2006

Priority	Project Name/Description	Requesting Agency	Location	Funding Requested	Cumulative Total
33	Monitoring rare plant species on the Spring Mountains NRA	Clark County	Spring Mountains NRA	\$179,396.00	\$19,383,839
34	Inventory, Research, and Monitoring for Covered Plant Species	Clark County	Clark County	\$315,554.00	\$19,699,393
35	Historical & Current Assessment of Six Covered and Three Evaluation Bird Species	Clark County	Clark County	\$199,917.00	\$19,899,310
36	Epidemiology of Desert Tortoise	Clark County	Clark County	\$779,726.00	\$20,679,036
37	Distribution & movements of common ravens in relation to desert tortoise habitat in Clark Co, Nevada	Clark County	Clark County	\$326,140.00	\$21,005,176
38	Adaptive Management of Information Gathering and Analysis Projects	Clark County	Clark County	\$500,000.00	\$21,505,176
39	Peregrine Falcon Monitoring at Lake Mead NRA	National Park Service	Lake Mead NRA	\$27,383.00	\$21,532,559
40	Movements and Barriers to Movement for Desert Tortoise	University of Nevada, Reno BRRC	Mojave Desert	\$719,210.00	\$22,251,769
41	Effectiveness Monitoring of Fuel Management Treatments in the Spring Mountains NRA	Clark County	Spring Mountains NRA	\$321,501.00	\$22,573,270
42	PIC and Volunteer Support for BLM Roads Monitoring Project	Partners in Conservation	Spring Mountains	\$322,000.00	\$22,895,270
43	Evaluation of Experimental Habitat Manipulations on Relict Leopard Frog Populations	Clark County	Clark County	\$87,267.00	\$22,982,537
44	U.S. Fish and Wildlife Service GIS Support, Data Management and Coordination	U.S. Fish and Wildlife Service	Clark County	\$90,100.00	\$23,072,637
45	Roads Monitoring on BLM Lands	The Bureau of Land Management	Clark County	\$432,589.00	\$23,505,226
46	Monitoring of Road Conditions and Signs	National Park Service	Lake Mead NRA	\$114,737.00	\$23,619,963
47	Assessment of listed and other species of concern at the urban edge	University of Nevada, Reno BRRC	Las Vegas Valley	\$550,128.00	\$24,170,091
48	The distribution and abundance of upland amphibians and reptiles	University of Nevada, Reno BRRC	Clark County	\$1,029,070.00	\$25,199,161

SNPLMA Multi-Species Habitat Conservation Plan Projects  
Round 6 Approval February 7, 2006

Priority	Project Name/Description	Requesting Agency	Location	Funding Requested	Cumulative Total
49	Impact of nutritional stress on URTD and immune function in the desert tortoise	Clark County	Las Vegas Valley	\$698,480.00	\$25,897,641
50	Distribution of kit foxes ( <i>Vulpes macrotis</i> ) in Clark County	Clark County	Clark County	\$286,400.00	\$26,184,041
51	Effectiveness Monitoring of Spring-fed Wetlands and Riparian Restoration Treatments	Clark County	Virgin River	\$899,959.00	\$27,084,000
52	Peregrine Falcon Monitoring in Clark County	Clark County	Clark County	\$23,283.00	\$27,107,283
53	Desert Tortoise Monitoring and Management at Lake Mead NRA	National Park Service	Lake Mead	\$37,609.00	\$27,144,892
54	Inventory, Research & Monitoring of Evaluation & Watch Plant Species on Lake Mead NRA & adj lands	National Park Service	Clark County	\$148,434.00	\$27,293,326
55	Monitoring of Illegal Ground Disturbance in Response to Management Actions	National Park Service	Lake Mead	\$105,287.00	\$27,398,613
56	Bald Eagle Monitoring	National Park Service	Lake Mead NRA	\$19,627.00	\$27,418,240
57	Native Bee Pollinators: Status and Plant Relationships	USDA Agriculture Research Service	Clark County	\$261,696.00	\$27,679,936
58	Monitoring of Northern Goshawks & Owls within the Spring Mountains NRA	USDA Forest Service	Spring Mountains	\$31,307.00	\$27,711,243
59	Annual Inspection & Maintenance of Riparian Protective Fencing within the Spring Mountains NRA	USDA Forest Service	Spring Mountains	\$204,045.00	\$27,915,288
<b>TOTAL</b>				<b>\$27,915,288</b>	

SNPLMA Lake Tahoe Restoration Act Projects  
Round 6 Approval February 7, 2006

Priority	Project Name/Description	EIP Number	Requesting Agency	Funding Requested	Cumulative Total
1	Best Management Practice Retrofit - Single Family Residential (Additional Funds for Round 5 Project, SNPLMA Project # N001)	16	NRCS	\$45,000.00	\$45,000
2	Comprehensive LTBMU Adaptive Management Monitoring, Inventory, and Research Program (NRIS/GIS Adaptive Management - Additional Funds for Round 5 Project, SNPLMA Project # F026)	10163.5	USFS	\$370,000.00	\$415,000
3	East Shore (Slaughterhouse Canyon) Hazardous Fuels Reduction and Ecosystem Restoration	10178.205	USFS	\$347,250	\$762,250
4	Urban Lot Hazardous Fuels Reduction and Ecosystem Restoration	10183.05	USFS	\$800,000	\$1,562,250
5	West Shore (Ward) Hazardous Fuels Reduction and Ecosystem Restoration	10176.05	USFS	\$1,597,250	\$3,159,500
6	West Shore, (Quail) Hazardous Fuels Reduction and Ecosystem Restoration	10176.105	USFS	\$1,322,950	\$4,482,450
7	South Shore Hazardous Fuels Reduction and Ecosystem Restoration	10177.05	USFS	\$1,434,050	\$5,916,500
8	Vegetation Treatment and Fuels Reduction - Various locations	10179.205	USFS	\$1,077,500	\$6,994,000
9	Timber Stand and Watershed Restoration - Urban Lots	10183.105	USFS	\$645,000	\$7,639,000
10	Fireshed Assessment and Fuels Reduction Environmental Analysis	10179.06	USFS	\$2,778,000	\$10,417,000
11	Restoration/Recovery of Lahontan Cutthroat Trout in Fallen Leaf Lake.	10125	FWS	\$250,000	\$10,667,000
12	Meeks Creek Watershed Ecosystem Environmental Analysis and Restoration Plan	700	USFS	\$350,000	\$11,017,000
13	Implementation of the Conservation Strategy for the Endemic Rare Plant - Tahoe Yellow Cress	10159	USFS	\$350,000	\$11,367,000
14	Restoration/Recovery of Lahontan Cutthroat Trout in Upper Truckee Watershed	10125.1	USFS	\$70,000	\$11,437,000
15	Post Implementation Revegetation/Restoration	967.17	USFS	\$66,000	\$11,503,000
16	Taylor, Tallac, and Spring Creek Watershed Ecosystem NEPA and Restoration Plan	10044	USFS	\$40,000	\$11,543,000
17	Upper Truckee River Watershed/Ecosystem Restoration	908	USFS	\$350,000	\$11,893,000
